ABOUT NEW COLLEGE

- UNT's New College at Frisco inspires creative minds to bring bold ideas to life. It opens the door for thousands of professional students who thrive for success in a competitive environment. New College breaks the academic mold by adding convenience to education with new technology. This new technology includes:
- **Mezzanine** which creates a visual collaboration tool for users searching for solutions.
 - **Media:Scape** that offers students a better way to collaborate in a larger space
 - **ClickShare** allows users to virtually share documents with one another on a presentation screen.

-  Front Desk
-  Mezzanine
-  Restroom
-  Media:Scape
-  Vending Machines
-  ClickShare
